

DISTRICT RESEARCH

older) has provided, on a form approved by the superintendent or
signee, informed written consent for the research involving
the student, including as applicable informed written consent regarding any

education records. No third-party research shall be conducted involving any
District employee unless the employee has provided, on a form approved by the

research involving the employee, including as applicable informed written
consent regarding any disclosure of personally identifiable information from the

3. The third party conducting the research shall furnish the director of research and
evaluation with copies of approved consent forms signed by the
parents/guardians of the students, or by the students themselves if they are 18
years of age and older, before the students may be subjected to or otherwise
involved in the research. The third party conducting the research shall furnish
the director of research and evaluation with copies of approved consent forms
signed by the employees before they may be

8. Authorization of all third-party research involving District students, employees or resources shall be conditioned on the execution of a written contract between the District and the third party with terms and conditions acceptable to the designee. The written contract shall specify the District official who will be the third-
